

## Streambank Restoration Demonstrations Coralville, Iowa

**Client Name:** City of Coralville, Iowa  
**Contact:** Mr. Dan Holderness, City Engineer

**Phone:** (319) 248-1720

**Year Completed:** 2005

**Responsibilities:** Project Manager,  
Stream Restoration Design, Construction  
Monitoring, Joint Permit preparation and  
review

Through a series of demonstrations, the City of Coralville introduced contractors, government officials, and citizens to a variety of innovative techniques for stabilizing streambanks. EarthView brought in locally and nationally recognized experts to evaluate the stream and produce specifications for the restoration work. EarthView was also charged with coordinating the demonstrations as the work progressed.
